

## Robert Harry Roomian

Beloved husband to Deborah for 21 years, Robert lovingly raised daughters Cheryl (John), Suzanne (David), Sandra (Allan), Christina and son Nicholas (Jena). Loving grandfather of Samantha (Chris), Janna, and Ryhan and great-grandfather of Landon. Also survived by brothers Ronald (late Jan) and Douglas.

Robert's true pleasure was to socialize and spend time with people. With an amazing sense of humor and jovial personality, Robert had an amazing knack for easily getting to know everyone he met and making them feel as if they'd been friends for life.

Robert was a talented man with many gifts. His professional experiences ranged from time spent serving in the US Air Force as a medic to eventually retiring from General Motors after 35 years of service having become a seasoned designer that made important contributions to many eye-catching automobiles that emerged in the Motor City's hey-day.

Each Spring, Robert eagerly awaited when he'd be able to return his boat to the welcoming waters of Oxbow Lake to spend another joyous Summer entertaining family and friends for numerous parties, special occasions and everyday relaxing and simply enjoying lake-living.

Having come from modest beginnings in Detroit, his father Ernest and mother Anne instilled in Robert and his younger siblings Ronald, Douglas and the late Lucy the importance of strong family bonds and a hard work ethic. Robert sought to pass those same values to his children and grandchildren.

Robert lived a truly blessed life and seemed almost invincible, having on numerous occasions faced and overcome health issues that would have overwhelmed someone without his strength and will to live. Robert's life was still too short as he still had much love to give; his loss will be felt by many, many, many people and he will be missed.

Despite the tremendous sadness we all feel, we all know he is in a better place and free from pain and suffering. We will see him again.
